# LIBRARY BULLETIN

Volume 1, Issue 1, May 2020

## PRINCIPAL'S MESSAGE

I am delighted to note that our Library has come out with the First issue of this Library Bulletin. I'm sure it will be of great use to our students, teachers and other avid readers as it is a handy and ready reference giving information about various E-learning resources. I applaud the efforts taken by our Librarian in compiling such useful information which can be used during this Lockdown period and also after it. May this bulletin help the readers in becoming skilful and discriminating users of library resources and also enable them to use the information for research, knowledge, understanding and enjoyment.

Dr. CA. Kishore Peshori,

I/ C Principal

## GREETINGS FROM THE LIBRARIAN

We are all going through an unprecedented time in our lives. With the novel corona virus outbreak being declared as a global pandemic and Government of India decided to announce lockdown from 23 March, 2020 to stop the mass spread of the disease has made our normal life at a standstill. The College Library was no exception, but it did not stop the dissemination of knowledge. Subsequently we tried to reach out to the users through online service.

Since our library's collection is more of print materials, library users are not able to access them currently. To overcome this difficulty, the college library is publishing a bulletin. The aim of this Library Bulletin is to assist the students and teachers to access the study materials and other useful authentic information available online without any hassles. I sincerely hope that this bulletin will serve as a helpful tool for reference during this lockdown period and also in the future.

Ligimol Benny,

Librarian
