MESSAGE FROM PRESIDENT'S DESK

Dear Students,

I am happy to note that Smt. MMK College of Commerce and Economics has come out with its E- prospectus this year. This will be of great use for the quick dissemination of information about the College and help in reaching out to the student community during these pandemic times. It gives me immense satisfaction to see that the College has grown thus far from its inception in 1961. I cherish the rich tradition of the College which is the result of the vision and dedication of the founding fathers of the H(S)NC Board, Vidyasagar Principal K M Kundnani and Barrister Hotchand Advani. The foresighted founding fathers of the college created an educational institution of lasting value, located in the queen of the suburbs, Bandra area.

It is heartening to note that the College is aiming to be the best and first choice for education with academic excellence and commitment to quality education with a holistic concern for better life, environment and society. It is also the endeavour of the HSNC Board to be at the forefront of knowledge and work towards the fulfilment of cultural, scientific, intellectual and humane needs of society in general and students in particular. In the past several decades, the Board has been at the forefront of creating opportunities for the Colleges and other educational institutions under its umbrella, in their enduring quest for excellence....

As we go through such a phase in history, we need to reflect and work out ways forward to embrace change and look at the present times as opportunities to innovate and grow. In the words of Dada JP Vaswani, "Let us not curse the darkness. Let us kindle little lights." He reminds us, "The children of today are the builders of a brave , new world" and as we teach them to learn , unlearn and relearn, let us not forget that the purpose of our education should be to make them better human beings who are equipped to adapt to the changes of these challenging times.

Yours,

Mr. Kishu H. Mansukhani
President
HSNC Board

MESSAGE FROM PRINCIPAL'S DESK

Dear Students,

"It was the best of times, it was the worst of times...." These words of Charles Dickens in the opening of his novel, A tale of two cities written in the 18th century, strangely remind us of the present times we are living in. As we all struggle to cope up with the challenges posed by this world wide pandemic, the education sector also had to find new ways of working out our way to solve our problems and move ahead. It has always been the aim of our College to kindle intellectual curiosity among students and to motivate them to attain academic excellence. It is also the endeavour of our HSNC Board to be at the forefront of human knowledge and work towards the fulfilment of cultural, scientific, intellectual and humane needs of society in general and students in particular. Therefore, we, as a college have tried very hard to give our best to our students during this lockdown period.

Smt. MMK College of Commerce and Economics was established by H(S)NC Board in the year 1961. The college is a premier institution in the city of Mumbai, providing excellence in education at the undergraduate and postgraduate levels in the fields of Commerce and Economics, with specialization in Accountancy, Management, International Business and other emerging areas. The college has a range of programme options and courses relevant to the local needs and in tune with the emerging national and global trends. Professionalization of higher education is a daily practice at the College and it has been our constant endeavour to prepare future graduates and postgraduates for global challenges who could make a meaningful difference in the society. The college has also started a research centre to provide doctoral degree in Commerce-Business Policy and Administration.

It has been reaccredited with "A" grade by NAAC in the third cycle in May 2017. The institution with around 4,500 students on roll, has made rapid strides in diverse fields and grown from being only an undergraduate college providing education up to doctoral level.

The college believes in personality development by incorporating values and life skills. We strive to impart education which suits the needs of business and industry, where fulfilling social responsibility is being increasingly recognized as crucial for the progress of society. With this aim, we have been undertaking

outreach activities through NSS and various field activities organized by both regular and self financing courses. Our ultimate aim is the holistic development of students where we strive to kindle intellectual curiosity in them, motivate them to achieve academic excellence, imbibe positive and healthy values capable of working harmoniously in teamwork and adjusting to the ever-changing environment.

Last year, our college had the privilege of hosting a mega event, i.e. the XXVII HSNC Board's International Economics Convention-2019 from December 12th to December 14th 2019. The college also launched its first volume of our e- journal, ACE, where academicians and students are given a platform to publish their research articles.

We also organized a 6 days Short Term Course on E-Filing and Governance under RUSA for the period 18th December 2019 to 24th December 2019. Another feather in our cap was added with the Inauguration of Accountancy Museum which was the first of its kind in any college in Mumbai. We had two new cultural festivals this year Enthusia and Funkiria, where our students themselves played an active role in organising them.

Through the NSS, some unique initiatives were taken like providing Flood relief to various districts in Maharashtra, Collection of Bisleri bottles and training of Students as Heart Marshalls to render help in emergency.

MMK has always boasted of its Sports activities, with many good sportsmen and women emerging in football and other Sports. Our football and Chess tournaments are especially popular events which students look forward to every year.

The journey to progress and quality improvement of an institution is a slow and steady process. Every benchmark and milestone achieved is the fruit of the labour of the College administration and many stakeholders and the team effort that is put in. We are truly grateful to everyone, especially our HSNC board Management and Trustees who have been our constant pillars of support. With our new motto of Atmanirbhar MMK, we continue our journey together towards paving the path for quality enhancement and sustenance to provide a better future for the generations to come.

Yours,

Dr. CA Kishore S Peshori
(I/C Principal)

MESSAGE FROM VICE PRINCIPAL'S DESK

Dear Students,

We at Smt Mithibai Motiram Kundnani College, Welcome all our Students for the Academic year 2020-2021. Established in the year 1961, Smt MMK College of Commerce and Economics has been one of the most prominent colleges in the Bandra Suburb and has been awarded an "A Grade" by the National Accreditation and Assessment Council (NAAC) in the year 2017.

We at Smt MMK College have always adopted a Holistic approach in the development of our students in both Academic and Non-Academic areas.

On the Academic front, our faculty always ensures that they put in efforts in inculcating an ambition to learn among the students and motivating them to attain academic excellence, thus helping them take a step forward in achieving their Career goals. We host an array of Seminars and Workshops in our campus which aim to encourage learning, foster growth and help students discover their true potential. We are firm believers that in difficulty lies opportunity, hence we have also hosted several Online Webinars during the Covid 19 lockdown to ensure that learning and development do not take a backseat like the 'Five Day Induction Program' and the Career Guidance Seminars to provide students with an insight to various career options available to them after their HSC examinations.

On the Non-Academic front, we have myriad of stellar Competitions and Fests for students to challenge their boundaries and explore new horizons like the Singing, Dancing and Drama competitions and 'Funkiria', an inter-collegiate cultural event hosted by Cultural Committee for students to showcase their talent. The Debate, Speech and Elocution competitions organized by English Literary and Debating Committee along with the Hindi Parishad Committee for students to develop their oratory skills. Our Sindhi department organizes 'Gaurav Gaan' an event to enhance the Sindhi culture. We also have the celebrations of Bastille Day organised by the French department for creating awareness of the French Culture. We host an Annual Sport Day for Students to display their Athletic skills. Our Fine Arts Committee conducts various competitions and workshops throughout the year for students to display and develop their artistic skills.

We at Smt MMK College always try to provide our students with several learning opportunities and help them to develop skills in order to succeed in the real world. We are extremely thankful to the HSNC Management and Trustees who have always been our pillar of strength and have supported us in all our endeavors. We are thankful to our Principal who goes an extra mile with his initiative to ensure our college reaches new heights.

I look forward to having another year of learning, growing and achieving greater heights together at Smt MMK College.

SPORTS:

Incharge: Mr. Eustace Saldhana

Our institute takes great pride and honour in claiming ourselves as a fortress in the field of sports. The driving force behind the achievements in the field of sports comes from our esteemed management. At the institute level, we have a very dynamic and sports passionate Sports committee who believes in the holistic development of a student. The committee consists of a Sports Director, who is a national level sports person, Vice- principal who is a sports enthusiast and the gymkhana chairperson, three more committee members who are great practitioners of fitness and sports, all who are ever ready to give their best to our upcoming sports students. As part of the hierarchy we have a students' sports committee which is headed by a student secretary together work under the mentorship of the sports director. This provides them an opportunity to learn and explore administrative and life skills during their education helping them to develop a holistic personality. The most important part of sports at our institute is the team of expert coaches who provide their support in scouting, mentoring and training the students in major sports like football, cricket, basketball and hockey.
